President's Message

Greetings Master Gardeners & Interns!

As stated at our October MG meeting, "MG membership approved HCMG Bylaws document, effective December 1, 2014, has been filed with the Hendricks County Extension Office on October 14, 2014." Thank you Bylaw Committee for your effort and dedication.

That said the Board has offered sign-up sheets for the following committees:

- HCMG Operations Manual Committee
- HCMG Insurance Committee
- Plainfield Boy Scouts - Eagle Project

Sheets will again be posted at our November session/Auction for volunteers.

MG Christmas Tree Decorating Committee volunteers are ready to decorate a tree in the Fairgrounds Auditorium on Tuesday, November 25th at 6:00 p.m. Chair is Laura Wilbur. The tree will be decorated with natural materials from MG yards and gardens. If you have materials to donate please bring them to our November Auction on November 18th. Please see list of possible plants/materials at <http://hendricksgardeners.com>.

Karen Robbins, Avon Gardens, presented a dual program at our meeting - Cutting Gardens and Closing the Garden for Winter. As many times as we close these gardens there is always more to learn. And for Cutting Gardens - ideas to consider for winter dreams and spring planting. Karen also generously donated \$75.00 to our Scholarship Auction.

MG Scholarship Auction will begin on November 18th right after elections of 2015 officers. Please invite your family and friends to attend. Of course we will have refreshments - but even more - the Auction has had baked goods, art, garden hardscape (benches, plant stands, metal work), handmade cards, aprons, gift certificates, Christmas decor and gifts - if you are willing to part with them. So bring money - cash or checks please. Time spent on items for the Auction will be considered as Volunteer Hours - with good judgment.

Check our Facebook for pictures of Scholarship Auction items! And keep checking back.

Stephanie Cohen's books sold out so quickly at AIG that Bev and Board are offering a quick sale of all the books sold at AIG. The price may be a little higher to include shipping charges. Please visit <http://www.hendricksgardeners.com/> under Members for the list. If you are ordering, please print, copy and send it with your check to Jill Clouser at 5510 E CR 700 N, Brownsburg, IN 46112 by Thursday, November 13. Books should arrive within 2-3 weeks and will be made available for pick up at the Extension Office.

Planning on attending the MG Christmas Party on December 2 at Dawson's Too? See page 2 of this newsletter for RSVP instructions.

Volunteer, grow, and meet an Intern!

Topic and Speaker Ideas for 2015 Meetings

Determining topics and finding speakers for the monthly meetings is the responsibility of the vice president. However, doing this job well requires input from members.

In 2013, HCMG conducted a survey which was most helpful in determining topics for monthly meetings. There is no survey planned for this year, but the board is requesting member feedback to assist the incoming vice president with planning for 2015.

Please send any ideas for topics and recommendations for speakers to hcmg.communications@gmail.com. Emails will be held until after the election and then forwarded to the newly elected vice president.

2015 Membership Dues

HCMG will begin collecting 2015 membership dues on January 1, 2015. Dues for individuals are \$15 and couples are \$25.

Please pay your dues by January 31, 2015 to guarantee inclusion in the 2015 Member Handbook and Directory.

Volunteers Needed for Open Gardens

Volunteers are being sought to host Open Gardens in 2015.

HCMG refers to them as Open Gardens rather than Garden Tours because all we ask you to do is open your garden to members. Open Gardens are very informal with no expectation to do anything out of the ordinary to your garden, no expectation to serve refreshments, no muss or fuss—just relax and let members enjoy your gardens with you.

Members enjoyed several Open Gardens in 2014. Each of the gardens was very different from the next. There was something to be learned in each and every garden, no matter how large or small.

If you would like to host an Open Garden in 2015, please email to hcmg.communications@gmail.com. You will be contacted early in 2015 to arrange the date and time, and get the information out to the membership.

2014 Adventures in Gardening

Another year has come and gone and once again we had a very successful Adventures in Gardening with 120 people registered for the day on October 4, and coming from Ohio, Evansville, South Bend, near Louisville. We had very good comments on the speakers, the programs offered and the enjoyable day with book sales, vendors, good food, displays and dried flower favors for everyone.

This event could not have taken place without the help of committee chairmen, the many volunteers, and our Master Gardeners who attended. The auditorium was beautiful and there were many good comments about the warm and friendly atmosphere – thanks to all of you! A special thanks to Kerry Cates for being co-chair and enthusiastically taking on duties and challenges helping with the many details.

Our keynote speaker, nationally known author and gardener, Stephanie Cohen, was very knowledgeable and entertaining. We know she loved to talk and really enjoyed coming, as you will see by her following comments. Stephanie made sure that no one knew she was feeling badly and almost had to cancel the night before, and I'm almost certain that no one knows that she is almost 80, pretty spunky lady I would say! We sold out of her books and will be ordering more, she will be glad to hear that!

Thanks again to everyone for helping with a great day and education for all. Your help, always with a smile and an "I'll be glad to", is greatly appreciated. You are the best!

- Bev Russell

Dear Bev,

I made it home by 10 o' clock. I slept really late this morning. The first thing I wanted to was send you a thank you.

Having dinner at your home and sleeping over made it easier on me. You and your friends made a great welcoming committee Friday night. Dinner was delicious, but the conversation was interesting and fun.

I want you to tell your committee they were really phenomenal. Everyone did an excellent job. I love it when master gardeners run the show and do such a fabulous job. Even the vendors were really nice I talked to all of them. I hope everyone was pleased with the amount of attendees, the yummy food, and the program. So many of the attendees thanked me for coming, and I felt right at home.

I cannot thank you enough for taking such good care of me. You are the best. The more I thought about all the challenges you have had in your life and how you have overcome them was truly amazing. You are one fantastic lady

I hope you and your "little princess" have a wonderful holiday and a great year.

Thanks so much,
Stephanie Cohen

November 13, 2014 at the Plainfield-Guilford Township Public Library, 6:30-8:30 p.m. (Call 317-839-6602 to register).

A Monarch butterfly begins as a tiny egg and ends up spending the winter in Mexico! You will hear the amazing story of how these beautiful insects reproduce, what Monarchs eat and how you can help by planting the foods they love in your yard. These winged jewels are threatened and need our help to survive. This is the incredible tale of Monarchs migration and their lives.
