## President's Message

Greetings Master Gardeners & Interns!

Spring! This spring brought HCMG a new ANR Educator - ANGIE TILTON! Welcome Angie, we have so many opportunities for you. Welcome to Hendricks County and to a wonderful group of Master Gardeners!

Spring! And all it brings - weeds, perennials, blossoms, GFAA and dandelions! I saw a quote...Dandelions - Some see a flower Some see a weed! Forget you are over 21, what would you see if you were 4 again?

Our April meeting program "Just Like Hairstyles, Roses have Evolved Since the 80s" will be presented by our HCMG Teresa Byington, our own rose expert. You don't need to grow roses to appreciate them, but after Teresa's presentation we may all want to shop for roses.

Thinking of GFAA, we still have a few booths available if you know a vendor with garden related items. Please plan to volunteer as much and as often as your schedule permits and report those hours. Set up day is Friday, April 24 beginning at 10:00 a.m. Please bring your own drinks and snacks. Dig out those GFAA red shirts for Saturday, April 25th - and your name badge.

And as you clean out your stash of garage and storage items, please consider donating them to the Gardeners' Closet at our GFAA event. Please contact Becky Troutman if you need items picked up or have questions regarding donations - blooming plants, like primrose, always looks great for sale in this booth.

And after GFAA comes the MG Plant Auction on Tuesday, May 19th. The sooner the plant is dug, potted with TLC, the better it looks at the Auction.

Send your reservation to Barb Zupan for our Bus Trip to Missouri Botanical Garden on Saturday, June 27th. Registration for the trip is on our website.

One more shout for Volunteer Hours - badges for MG Certification Levels will be presented at our July Picnic - but first must be submitted, keep reporting!

Happy Spring to each of you.

We are still growing Interns....

Volunteer, grow, and meet an Intern! "Grow Interns, Grow Master Gardeners"

- Rosie Lenihan

## Member Meetings & Information

### April Meeting

**Date:** April 21, 2015

**Time:** Social Time 6:30 p.m./Business meeting 7 p.m.

**Events:** Presentation: Teresa Byington —**Just Like Hairstyles, Roses Have Evolved Since the 80's.**

**Location:** Hendricks County 4-H Fairgrounds

Teresa Byington loves to dig in the dirt and gets plenty of opportunities to do just that as she cares for her large cottage garden that consists of about 200+ roses (hard to get an exact count) and their companions. She is currently a Master Gardener intern working to get her “wings” in the Master Gardener program. She is a member of the American Rose Society and the Indianapolis Rose Society where she serves as Vice President/Program Director. She serves as a juror for the Biltmore International Rose Trials.

She will attend her 3rd invitation only P. Allen Smith's Garden Blogger event in May where she has the opportunity to learn from garden experts and social media experts from around the world, as well as garden trends and new garden products.

She is the co-host of the Rose Chat Podcast— the only show on the airwaves dedicated to growing roses and rose culture— everything from the incoming ARS president and vice presidential candidates to rose growers, enthusiasts and hybridizers. This popular podcast, now in its 3rd year, has had over 360,000 downloads and is available on demand at [rosechatpodcast.com](http://rosechatpodcast.com).

Her blog, The Garden Diary, tells of her adventures in the garden and in life, as well as promotes roses as an integral part of the landscape. Teresa's garden consists of many rose varieties from Hybrid Teas and landscape roses to Old Garden Roses. She loves to create flower arrangements to share with friends and family as well as those who live in area nursing homes.

## 2015 Master Gardener Classes

Hendricks County's Master Gardener Classes have usually started in January of each year. However, this year we are without an ANR Educator until recently. The ANR Educator is responsible for conducting the classes.

We will post further information about the schedule for classes here and on the website as it becomes available.

## The Extension

Our new ANR educator, Angie Tilton, has started work. Welcome Angie.

Extension Homemakers are inviting the public to a financial seminar on April 22 from 9 a.m. to 12 p.m. There will be sessions on “Senior Scams and Identity Theft”, “Is On-Line Banking Safe?” and “Asset Protection”. Admission is free—registration is required by April 22. Contact Carol Pearson (745-9260 or [clpearson@purdue.edu](mailto:clpearson@purdue.edu)) to register.

There are many educational programs offered by Master Gardener organizations throughout Indiana. Check the extension web page for more information about these—it is updated regularly. See <https://extension.purdue.edu/Hendricks/>

## Volunteers Needed for Open Gardens

All we ask you to do is open your garden to members. Open Gardens are very informal with no expectation to do anything out of the ordinary to your garden, no expectation to serve refreshments, no muss or fuss—just relax and let members enjoy your gardens with you.

If you would like to host an Open Garden in 2015, please email to [hcmg.communications@gmail.com](mailto:hcmg.communications@gmail.com). You will be contacted early in 2015 to arrange the date and time.

## Contribute to the Newsletter

## Gardening for All Ages Update

"Gardening for All Ages" is almost here—April 25th is the date. Our sponsors this year are Hendricks Power, Lawson & Co., Ray's Trash, and Dammann's Nursery. Exhibitors are signing up for booths. We are excited to have Stream Cuisine as our food vendor. This is Courthouse Ground's mobile food service. They will be offering a menu that includes breakfast and lunch items.

There will be four informative seminar sessions. Speakers and topics for this year are:

10:00 am	Fall Gardens	Chuck and Pat Dallas
11:00 am	Plant Propagation Basics	Magen Eller
1:00 pm	Growing Orchids	Dick Wells
2:00 pm	Worm Composting	Becky Troutman

Don't forget about saving your newspaper sleeves for wrapping the sapling trees. Bring them to any upcoming meeting for Roxanne McGlone. If you have garden magazines that you hate to throw away, bring them along. We will distribute them at the Gardener's Closet. And don't throw that old planter, or garden tool away, if it's able to be sold at a garage sale price! Save your collectibles for our Gardener's Closet. If you can set these used items aside until April 24, that is best. If you don't have room to store them until that time, feel free to bring items to the April meeting and give to Becky Troutman, Ed or Suzy Freeman.
