Message from the President

Happy September to all Master Gardeners and Interns,

The summer has been very busy for our chapter. Garden visits, July picnic/awards and the Farmer's Markets.

On August 23rd, 12 of us made the trip to the Tippecanoe County Master Gardener display gardens. Wow what a fantastic garden. If we choose to have a display garden at the fairgrounds seeing these areas will get us off on the right foot. I came away with ideas to incorporate in my own garden.

AIG is almost upon us! October 15 is just around the corner.

Register Now by mail or online. Go to the website for forms and even to pay the \$45 fee. The registration deadline is October 10th. Check out the five fascinating presentations you will hear. Come to hear them and enjoy meeting other Master Gardeners from around Indiana at the included continental breakfast and lunch Bid in the silent auction. Shop.

We still need volunteers—see page 2 for details. Master Gardeners and Interns too--contact Theresa Mathieson to volunteer.

We need Donations For the AIG Silent Auction—Donate new or gently used items. Please contact Barb Zupan at bsz@indy.rr.com, or 317-839-4186 to make your donation by **October 1st**. A description of the item and its value are needed in order for a bid sheet to be prepared for each item. Last year we exceeded our goal of funding the scholarship program for the year. With your donations, we can do it again!

Pre-Order the books you want from the AIG book sale

The list of available books is attached to the end of this newsletter. Pay when you pick up the books with cash, check, and debit or credit card. Last pre-order at the September meeting.

A HUGE thank you to the following MG's/Interns: Ed and Suzy Freeman, Neeta Steinbrook, Steve Pearl, Terri Tramm, Mary Susnosky, Terry Meingasner, Rhonda Legan, Jackie Rosales, Donna Grimm, Robin Elizabeth Parsley. I couldn't have done any of the Farmer's Markets without you.

August 25th I again had the privilege to address a new Intern class. WELCOME INTERNS!!!!

Our members are glad to have y'all on board.

Regular meetings start back up on September 20th. The nominating committee is meeting before our next meeting. I urge each of you to consider serving in a position if asked. We are stronger working together.

See you in September.

Reporting Volunteer Hours

The reporting form is on the website. You can download the blank form and use it to report with a pen. Or you can fill out your downloaded form with your computer using Adobe Acrobat reader IX or later or Acrobat DC. If you use your computer and the Adobe free readers it will set your fonts up, standardize your date formatting, and automatically add up the hours you are submitting. Take a quick look at the form instructions you will find on the website. If you are using Firefox or Chrome as your web browser please be sure you are NOT using the default PDF readers that come with these to submit your forms. They are just readers, they will not save a filled in PDF form—even though it looks like they are working — and they will not warn you that they are not saving your content.

If you have questions or problems using the form, please let the webmaster know.

Volunteer and Educational Opportunities
